Tree Atlanta has decided the plant trees on Rose Circle some will be in private yards, some with be in the public right of way. They are going plant 50 trees but we need at least 20 volunteers or they will not plant the trees. Please help your neighbor and West End and volunteer this weekend. I have attached a form to sign up or just reply to this message.

Saturday, February 27th at 10am  
Rose Circle.

Also if you can help with the upkeep of these trees (watering, mulching) we would love you to sign up for that as well.

John Pavlin and I will be roaming the neighborhood with a van and trailer, collecting tires for Cleta's Tire Round-Up, starting at 9 AM. Afterward, I'll head over to Rose Circle and help plant trees. If anyone has tires around their yard or perhaps in a vacant house nearby, please move them to the sidewalk and post a reply here with the address, and we'll get them. Better yet, show up and help us sling tires. Many hands make for faster work! If we get a few replies, I'll buy a bunch of hot Krispy Kremes and we'll trade you a fresh doughnut for and old tire.
