What a great time we had! This picture only shows 1/3 of the people that came out. It is missing Joshua, Nia, Ted, Tonya, Leeza and more people I cant remember. We clean Dugan place, Langhorn St, Greenwich St. We paid special attention to Peeples Street because that is the path of the tour of homes. We sprayed round up on the weeds on Peeples, Gordon and Oglethrope Streets. We picked up leaves on Peeples we hoped to finished Peeples but we only did about 1/3 of the street. If you did not come out this time, you will have another chance to help us next month when we finish what we started today and we will plant flowers. Stay tuned.....

Clean up of the neighborhood

Posted by cubana - 2009/03/09 21:30

Toby, our beatification chair, has scheduled a cleanup of West End on March 21st. The Shrine is going host breakfast at 9am. I am not sure what time we will meet for the actual clean up but I will keep you posted. If you have a particular area you would like to see clean please post it to this forum and we will do our best to clean that area. Also, we need a count of people so the shrine can know how much breakfast to have on hand. Therefore, if you plan to be at breakfast and have not told Toby, or if you just plan to clean up please tell us and indicate that you only want to clean up. You can reply to this post and we will get the information.

Thanks to all my West Enders who wants to keep West End beautiful

Vonda, I'll be out- but you know me...
I'll be on Hopkins & Latham Streets :)

For future events, maybe we can invest in WEND clean up t-shirts- as people drive by they will see you out and recognize that a clean up is taking place. (just a thought)
OR " Neighborhood Clean Up Day" signs... since you do this often it would be good to create the synergy within the neighborhood and make other residents aware- those not privy to the website or meetings..
There are many people who are not "meeting" or "group" people but they are always cleaning around their homes...maybe they would come out on the same day to do their block or yard..
